 5 we're trying to confirm this. And we're trying to confirm  
 6 this. Okay. Continue taking the fighters down to the New

 7 MALE SPEAKER 3: Their weapons team shouldn't

 9 They're going to pass that through the fighters exactly  
 10 what we want them to do. Now --

15 MALE SPEAKER 2: Northeast of New York.  
16 BACKGROUND FEMALE: (Inaudible).  
17 BACKGROUND MALE: Would be my guess. I can look  
18 in the computer here, but they're airborne.  
19 MALE SPEAKER 1: Okay, sir.  
20 BACKGROUND MALE: Two DC-10s and they got a lot  
21 of fuel. They're heavyweight so they'll have -- they'll  
22 have enough fuel to be airborne almost all day.  
23 MALE SPEAKER 2: Those are DC-10s.  
24 MALE SPEAKER 1: (Inaudible) second time.  
25 BACKGROUND MALE: Yeah.  
0041  
1 MALE SPEAKER 2: Okay. And it's Team 23, Team  
2 24.  
3 MALE SPEAKER 1: Same building.  
4 BACKGROUND MALE: Yep.  
5 MALE SPEAKER 2: Okay, so you wouldn't happen to  
6 have --  
7 BACKGROUND MALE: Is this explosion part of that  
8 that we're looking at now on TV?  
9 MALE SPEAKER 2: Yes.  
10 MALE SPEAKER 1: Boston is now grounding all  
11 (inaudible).  
12 MALE SPEAKER 2: And then there's a possible  
13 second hijack also, a United airlines.  
14 MALE SPEAKER 1: FAA Center.  
15 BACKGROUND MALE: Okay. New York Center is who  
16 you need to get a hold of.  
17 MALE SPEAKER 2: Okay, sir, I'll do that.  
18 BACKGROUND MALE: All right, thank you.  
19 MALE SPEAKER 2: All right bye.  
20 BACKGROUND MALE: (Inaudible).  
21 MALE SPEAKER 1: Okay.  
22 MALE SPEAKER 2: I got Team 23 and Team 24  
23 airborne in New York Center airspace. They're northeast  
24 of New York right now. Two DC-10s and they got a lot of  
25 gas.  
0042  
1 MALE SPEAKER 1: Okay, just a moment.  
2 BACKGROUND MALE: (Inaudible).  
3 MALE SPEAKER 2: These are DC-10s.

 BACKGROUND MALE: (Inaudible).  
 MALE SPEAKER 1: Okay, Foxy. This is what --  
 this is what I foresee that we probably need to do. We  
 need to talk to FAA. We need to tell them if this stuff  
 is going to keep on going, we need to take those fighters  
 and put them over Manhattan, okay.  
 BACKGROUND MALE: Sir.  
 MALE SPEAKER 1: That's the best thing. That's  
 the best play right now.  
 BACKGROUND MALE: (Inaudible).  
 0045  
 MALE SPEAKER 1: So coordinate with the FAA.  
 Tell them if there's more out there, which we don't know,  
 let's get them over Manhattan. At least we got some kind  
 of play.  
 BACKGROUND FEMALE: (Inaudible)  
 BACKGROUND MALE: Can you (inaudible).

 MALE SPEAKER 1: Okay, who's up? Okay, we can  
 do that. Okay. Yeah. Okay, this is what I got going.  
 Tell Foxy to scramble Langley, send them in the same  
 location. Battle -- battle stations or scramble. Battle  
 stations only Langley.  
 BACKGROUND MALE: Okay.  
 MALE SPEAKER 1: Okay, this is -- who's up  
 there? Langley? Okay, you listening? What I told the  
 so far, we need to get those fighters over Manhattan  
 because we don't know how many guys are out of  
 (inaudible).  
 BACKGROUND MALE: (Inaudible) 09.  
 MALE SPEAKER 1: Could just be two, could be  
 more. I don't know.

8 MALE SPEAKER 1: Okay.  
9 BACKGROUND MALE: We can call them and get two  
10 more.  
11 MALE SPEAKER 1: Give McGuire -- get me that  
12 KC-10, stick him in 107.  
13 BACKGROUND MALE: Both of them, one --  
14 MALE SPEAKER 1: One.  
15 BACKGROUND MALE: One.  
16 MALE SPEAKER 1: Two KC-10s should do it fine.  
17 Put him in 107.  
18 MALE SPEAKER 3: Does the FO know that?  
19 MALE SPEAKER 1: Know what? I'm going to do it.  
20 Take control. Yes, sir. We've got Main 85 going to  
21 whiskey 105 right now. We also have the fighters holding  
22 there. We're trying to move them down South of JFK.  
23 Okay. We got some bad poop from FAA. So we got Main 85  
24 he's going into whiskey 105 so that's -- that's no  
25 problem. He's got lots of fuel. I already -- Foxy's  
0055 already talking to him. I got another. I got two offers  
1 up from McGuire for KC-10s. I'm taking one KC-10 and  
2 putting in whiskey 107, going to hold him there for the  
3 Lang -- for the Langley guys. And we're going to probably  
4 put the Langley guys -- if we get them, if we want to  
5 scramble the Langley guys, we'll stick them just South so  
6 we can do a backup as well. Okay?  
7 BACKGROUND MALE: Mm-hmm.  
8 MALE SPEAKER 1: We haven't gotten that yet.  
9 we'll get it.  
10 BACKGROUND MALE: Where's the KC-10 coming from?

21 that's in the air they're diverting out and I've been  
22 talking with Mr. Scoggins there from Boston Center. He  
23 just wanted to know if we had any aircraft. I told him  
24 about the aircraft in the area that we have, our fighters,  
25 our fighters and the area tankers, and also -- okay, also,  
0059  
1 we're inclose contact. So if he sees anything squirrely

 6 to different frequency. We'll just use you for -- utilize  
 7 you for a command control.  
 8 BACKGROUND MALE: Okay. So you'll be talking to  
 9 the fighters if they intercept us.  
 10 BACKGROUND MALE: You copy that? (Inaudible).

 15 it.
