SOD??..... In route.

ESU Lt.....message stepped on  
Central.....Lt. you message was crossed 10-5 it please.  
ESU Lt..... Unable to get ESU desk on the cell phone.  
Central..... Repeats same asks if ESU desk heard message.  
Unk..... 75 on the air will you take us down to WTC  
ESU 14.....Central we are in route.  
Central.....10-4, ESU 14 on the air  
ESU14..... Can you ascertain if ??? Elevators are down there.  
ESU portable.....Be advised we have a TV picture it shows numerous injured down there.  
Central.....10-4 redirect, they are getting a TV picture that there are numerous injuries.  
Unk.... Garbled stepping on each other inaudible  
ESU Lt..... To central, notify the hospital also on that.  
Unk..... You better notify hospital in Bklyn and have traffic cleared to the battery tunnel.  
Unk..... Have the pcts to keep the bridges clear.  
Central.....10-4  
Unk..... Do you want the Task Force down there?  
Central .....10-5  
Truck 6.....broken transmission  
Central.....truck6 your message was broken up the only thing I got was the upper floors.  
Truck6..... We are on the Gowanus and we can see a heavy smoke condition pouring out  
of the WTC on the upper floors.  
Central.....10-4  
Unk..... ???Garbled at Floyd bennet field for coordination of aviation.  
Unk..... Be advice that was a very large aircraft that hit the tower.  
Central.... 10-4  
ESU portable..... Be advised to mobilization all available ESU units this is ESU portable  
at the scene.  
Central..... All available ESU units to mobilization to the mobilization point at C & V  
Unk..... Any 1 trucks at the scene.  
Central..... Any 1 trucks available at the scene, at this time, any 1 trucks 84 at the scene  
Truck 1.... Was about 1 minuet out  
Truck 4..... Redirect  
ESU Lt.....be advised it was a TWA plane that went into the building. At this location  
notify aviation.  
Central....10-4 please 10-5 what kind of plane.  
ESU Lt.....TWA plane that went into the building at this location, advise aviation and see  
if they can get anything on that.  
Central..... 10-4 aviation base on the air.  
Aviation base.....///garbled.  
Central.....It was a TWA plane that went into the building at WTC  
Aviation Base..... Stand by central we have 2 units in the air and will do an area survey  
Truck 1.... To E 4.  
Central..... 10-4  
Staten Island truck...calling Central.  
Unk.....see if you can get LaGuardia towers.  
Central.....10-4

Unk.....Central does anybody in ESU want a high rise team to meet at Floyd Bennet  
Unk..... Have them stand by central.  
Truck 1 supervisor..... To central  
Central..... go truck 1 supervisor.  
Truck1 sup.....Notify aviation to get a couple of ships in the air, the south/north tower  
got a large fire into the north tower mostly on the top 20 floors , looks like something  
went into it.  
Central.....10-4 units be advised that we have people trapped on the 60<sup>th</sup> floor trapped up  
there.  
Truck 1.... To central  
Central..... Truck 1  
Truck 1.... See if you can get some responding emergency units to the heliport to meet  
aviation so they can go to the roof.  
Unk..... Which heliport, heliport  
Truck1..... Check with aviation, probably the Wall St. heliport  
Central.....Aviation on the air.  
Aviation.....Aviation 14 to central, that LZ is sufficient for us we are about 1 minuet out.  
Central.....All right guys can anyone advise if that LZ is sufficient for aviation now, to go  
to the Wall St heliport.  
2rescue 14.... To central we redirect we are 30 seconds out if they want to use Wall St  
Heliport. That will be sufficient for us have emergency personnel respond to Wall St.  
Adam 2.....show us responding.  
Central.....10-4  
ESU 1..... To central  
Central...ESU 1  
ESU1..... Who do you got responding over to the WTC  
Central.....I have all available ESU  
Unk.....Adam/Boy is 84 central; we are going to go to Tach2  
Central.....10-4 I have all available ESU responding there aviation and all specialty units.  
Responding out their right now plus EMS, FD and everyone else.  
Boy 6 .....Central  
Central.....Boy6 have someone do something with this Manhattan bound HOV lane into  
the Tunnel here. It's backed up.  
Central.....10-4  
Car3..... To Central  
Central...Car3  
Car3.... Car 3 & 4 we have a level 3 I think you might want go to a Level 4 here central  
alright.  
Central....10-4  
UNK..... Now going to bklyn to a thv???? Garbled.  
Central.....They are assembling to pull the vehicles from the battery tunnel. so the  
emergency units can get through.  
Car3.....can you reach car5, please  
Central..... Car 5 on the air.  
Car5.... On the air.  
Central..... Car 5 on the air

Emergency Truck1.... To central  
Central....5 is on the air  
Car5/Truck1....stepping on each other  
Unk.....Car5 what's your location, (stepped on)  
Unk..... Central 1 please  
Central.....units stand by one second, car 5, car5  
Car5...../. Car5 to central. Do you have a message for this unit?  
Central..... Car 3 is trying to contact you.  
Car5..... Tell car 3 I'm on the FDR, and headed over to the scene right now, I'm on 34<sup>th</sup>  
St.  
C-14.....Central  
Central.....C14, SC-14 K  
Unk aviation unit.....Be advised that we are 84 at this time we have people falling out of  
the building at this time. It looks like all 4 sides are cut open. A lot of flames we are  
going to be landing at the downtown heliport as soon as emergency services are 84. I  
don't believe at this time that we are going to be able to land on the roof, central it's too  
engulfed in flames.  
Central.....10-4  
Unk.....somebody at the heliport, I'm on my way down the west side. Advise highway to  
get that cleared.  
Units stepping on each other unable to make out what is being said.  
Bomb Squad 35007.....to central  
Central....Bomb Squad  
SC14..... To central  
Central.....SC-14, SC-14  
SC-14..... Be advised that we are going to be unable to land on the roof, due to heavy  
smoke condition at this time.  
Central....10-4  
ESU Truck1....to central  
Central.....ESU Truck1  
ESU Truck1... all members in truck 1 are going up to management at the scene. We  
have units going into the building at this time. Have all ESU units on the scene go to tach  
2 immediately Have them come down Vessey to Church they need Scot packs entry tools  
and life lines. Copy that Central  
Central..... Your message keeps cutting off, who do you want to respond to that location  
ESU Truck1.... I want all ESU trucks and ESV units to respond to this location and  
notify ESU desk.  
Central.....10-4  
Unk..... In route central.  
Central..... 10-4  
Unk.....can anyone advise if traffic on the west side highway south bound is it moving  
Unk..... It is moving, but it's crowded.  
SC-14....Central  
Unk..... Come 3<sup>rd</sup> St its all clear come down the wrong way.  
Central.....SC-14  
Unk.....33<sup>rd</sup> St south bound is clear.

Central.....Did you hear that south bound west side is clear from 33 St.  
Unk..... The HOV lane to the tunnel is at a dead stop all bklyn units are trapped in the HOV  
SC-14 to central  
Central....SC-14, SC-14 with a message  
Unk..... With a message  
Central.... Proceed  
Unk.... Unable to hear units stepping on each other.  
Central.....units you are crossing each other, not reading the last message 10=5 it  
Unk ESU ..... Truck1 adam1 and Boy 1 are entering the building now  
Car3... to central, with an emergency message.  
Central..... car3  
Car3..... Advise car1 that they are 84 at this time.  
Central..... Car1 on the air, car1 on the air, car1 on the air.  
SC-14..... To central let \_???\_ know that we have numerous people falling from the building at this time. It looks like it's going to be a minimum of 15 floors from the top, going up to the top that are fully engulfed.  
Central.....10-4  
Unk..... Advise if anyone is at the Wall Street Heliport.  
Central..... Alright guy's  
TF 10.....to central  
Central.... I need the highest ranking officer on the scene on the air.  
Unk portable.....We are going to need additional units up here to help get the residents out of the building, down the staircase.  
Central..... I need the highest ranking officer at the scene on the air  
Car3..... Is with Adam 2 central  
Central.....alright car 3 can you advise do you want ESU to land on the roof tops over there.  
Unk..... They can't  
Central... alright ESU redirect, SC-14 read  
**(C#230)**  
SOD-1.... To central, a lot of stepping on each other can not hear transmissions.  
Unk..... Be advised that another plane just hit the WTC a 737 just hit the WTC  
Truck2..... Emergency message from truck 2, unable to hear because of numerous messages on air stepping on each other.  
Central.....Units did another plane  
Truck 2.... With an emergency message  
Truck1..... With an emergency message.  
**Numerous units attempting to give emergency messages unable to hear any one clear message.**  
Central..... Go with your emergency message. Truck 1 go  
Truck1..... A 737 just crashed into the south tower of the WTC  
Central..... Alright a 737 just crashed into the south tower of the WTC  
Numerous unk units talking at the same time  
Unk..... Get them out of the building.  
Car5... to central have them give the message slowly looks like another explosion

Central..... Alright units  
SC-14..... Be advised a 2nd 737 look like a US air 737 just crashed into the south tower of the WTC  
Central..... 10-4 I have read that unit be advised that a 2<sup>nd</sup> 737 has just struck the tower at the world trade center.  
Unk..... Notify the military at this time??? The coast guard and the pentagon, get this out central.  
Car3.... To central  
Central..... Car3  
Car3 ..... I am at the scene the 2<sup>nd</sup> tower has just been hit by another aircraft. Central is the security plan in effect at headquarters  
Central..... 10-4  
Operations ... to central could you let all the units know that the mobilization point is at South & Pike I'm being informed its going to be at South & Pike, This is operations.  
Central.....10-4, Units the mobilization point is know at South & Pike, you have South & Pike on that mobilization, South & Pike on that Mobilization point  
Car5..... Redirect  
Central..... Car5 10-4  
Car3..... To Central  
Central..... Car3, Central have operation notify???? Locations in lower Manhattan and have them evacuate the buildings. This seems like a planed attack Central; I want headquarters secured and any other high security buildings evacuated.  
Central..... 10-4, Operations redirect that.  
Operations.....operations redirect central  
Unk..... Central notify me if here any more planes out there?  
Squad Bomb Sq.... to central  
Bomb Squad.....3500 is on the air and at the trade center.  
Unk..... Central does anybody know if they closed down NYC ton air traffic  
Central....10-5 that  
Unk..... Ask the F.A.A to close down NYC to air traffic.  
Central..... 10-4  
Truck1... to central  
Unk..... Truck1 what is the mobilization point.  
Truck 1.... To central  
Central...Truck 1  
Truck1..... I need ESU units at Vessey & Church; I need to coordinate what units that I have at the scene  
Unk Sgt..... To Central  
Central.... Sgt I want every available ESU unit to mobilization to this location, unable to hear small portion. We need every available unit we have several secondary explosions inside of the building central.  
Central.....10-4  
Unk..... We are in route to the building to get them out now. Advise the units in the building that the 2<sup>nd</sup> tower is now engulfed; the 2<sup>nd</sup> tower is now engulfed.  
Unit4..... Redirect central  
Car3..... To central

Central..... Car3 advise our units that I don't want any units to land on top of these towers central.

Unk supervisor.... To central I don't recommend that any units should land on anyone of these towers. I don't know where that secondary explosion came from.

Central..... 10-4 Units no one is to land on any of the secondary towers at this time. No one is to land on these secondary towers at this time.

Unk..... I have a clear view from the top of the world.

Unk..... To Central

Central..... Proceed

Unk..... Make sure that the units know that the secondary explosion was another plane flying into that tower.

Central..... 10-4, Car 3 you redirect, that was not a secondary explosion it was 2nd plane that ran into the tower

Unk..... It was a dark green military plane that ran directly into the tower.

SC-14..... Central be advised this is air sea rescue 14 that it was a US Air 737 commercial airliner that crashed into the south tower.

Central..... 10-4, Car3 redirect on that.

Unk.... Does anybody know where that plane came from?

Unk TF....It was a commercial airliner it was most likely a United Airlines 737

ESU1.... To central

Central... ESU1 is there a ESU supervisor who can advise if we had any units in the building, again transmission are garbled numerous units talking at the same time.

Central..... Units you are crossing each other. In background you can hear a female voice saying "pull to the right."

Unk..... Sates use the PA system not the mic. Again in background female voice "Move the vehicle to the right."

Central..... Units with the vehicle you are coming over the air, directing the units with the vehicle. You are coming over the air. Female voice continues "Move your vehicle to the right the right

Unk.... Can you notify the Port Authority to freeze all the airports?

Central..... 10-4

Unk.... Freeze all the airports.

Central .....10-4, female voice continues in background to direct vehicles to the right.

SC-14.... To central be advised that Newark and LaGuardia have suspended operations at their airports and they are attempting to contact Kennedy at this time.

Unk..... Who is putting those plans in effect? Keep the radio clear except for emergency vehicles and personnel on the scene.

ESU Lt.... to central

**(C#-310)**

Central..... ESU Lt. Go. Transmission garbled female voice still directing a vehicle to right. The unit directing traffic you are coming over the air. **(An officer has apparently mistaken her radio for the Public Address system in her patrol car and is transmitting over her radio interfering with SOD communications.)**

Central...Unit please you are coming over the air directing traffic, please don't come over the air directing traffic.

Unk..... Head up to the Empire State.

Central..... 10-5 the message for the empire state  
Unk..... Central give me some mobilization points for all emergency services.  
Central..... The mobilization point is Pike & South St.  
Unk..... Garbled transmission  
Central..... 10-5  
Unk..... Make sure that the word goes out to operations that we are going to be evacuating every high security building in Manhattan. 1-PP, Gracie mansion, Municipal Building any potential target, get the people off the top floors.  
Central..... 10-4, that was to evacuate 1 Police Plaza, Gracie Mansion and the Municipal building and any potential target. Who is that advising this.  
Inspector Robinson..... From the 1<sup>st</sup> Deputy Office as per the Chief of the Department.  
Central..... 10-4  
Unk..... Be advised that 26 federal Plaza is being evacuated at this time.  
Ranger1..... Ranger 1 to central, Ranger 1 to central  
Central.... Proceed Ranger 1  
Ranger1..... Have this airspace restricted up here and have aviation respond.  
Aviation 14.... To central  
Central.... Aviation 14  
Unk..... Make sure that the UN is fully evacuated at this time.  
SOD portable.... To Central  
Central.... SOD portable  
SOD Portable... Can you please designate 3 channels for this emergency.  
Central..... 10-4 oper.  
SOD Portable.... Break them down into 2 responding units and units at the scene  
Central..... 10-4 securing the 2 channels right now  
Unk..... Central have all units Combat Park so we can access get in and out with ambulances and emergency equipment.  
Unk..... 10-5 the location for the mobilization.  
Commander Officer from the Police Commissioner's office... to central  
Central..... Cmd. Off. PC office go  
Cmd. off PC office.....Where is the field command post.  
Central..... Car 3, Car 3, car 3 on the air.  
Car3..... Go  
Central..... Where is the field command post?  
Unk..... At the Post Office opposite World Trade Plaza.  
Central..... It at Post Office opposite World Trade Plaza., 10-4 redirect on that, opposite World Trade Plaza.  
Unk..... At Church & Vessey at the Post Office  
Central..... The Post Office.  
Operations.... To Central this is operations calling, there is another command post at South & Pike, South & Pike  
Central..... 10-4 there is also one at South & Pike.  
Unk..... This one is for Emergency vehicles central.  
Unk..... Central you have all emergency vehicles coming down south on park they are starting to block this area inaudible.  
Unk..... Central where is the mobilization point.

Central..... South & Pike  
SC-14..... To central  
Central..... SC-14  
SC-14..... Central just confirmed that Newark, LaGuardia and Kennedy have suspended all operations in the NYC area and I'm going to contact Westchester  
Central..... 10-4, Newark, LaGuardia and Kennedy, 10-4  
SOD 1..... To central  
Central..... SOD 1  
Unk..... Inaudible  
SOD 1..... Unless it is an emergency transmission keep everything else off this frequency  
Central.... 10-4, unit's only emergency transmissions on this frequency at this time, only emergency transmissions.  
Unk.... Can you get the Pct's to clear the drive for emergency vehicles?  
Central..... 10-4  
Unk..... Central do you have those 2 channels dedicated  
Unk..... Central have operations contact the military liaison and lock our air space down  
Central..... 10-4  
Unk..... 10-5 the location of the mobilization point.  
Central.....South & Pike the are 2 points now, I have South & Pike and opposite the World Trade Plaza by the Post Office  
Unk..... 10-5 the 2<sup>nd</sup> one, opposite the World Trade where  
Central.....The Plaza by the Post Office.  
Unk..... Central raise the bomb Squad raise the Bomb Squad and have them respond to the mobilization point start conducting sweeps.  
Truck 1..... To central  
Central..... Truck 1 go  
Truck 1..... We have to get ESU cops to the scene inaudible, notify ESU desk to recall we are going to have to recall people.  
Central..... 10-4  
Unk..... Central, inaudible transmissions, some one has to get to the FAA and lets us know what's up there and what's not supposed to be up there.  
Unit 1.... To truck 1 supervisor.  
Unk..... Truck 1 supervisor on the air.  
Unk..... Inaudible  
Aviation-14 .... To central  
Central..... Aviation-14

Operations..... To central evacuate if possible the Empire State Building as well  
Central..... 10-4  
Truck 2.... To Central  
Central..... Truck 2  
Truck 2..... Can you send the A team out to this location as the A team  
Central..... 10-5 who you want to come.  
Truck 2..... Have the A team respond to this location as the A team  
Central..... 10-4  
Unk..... En route  
ESU Lt..... To central  
Central..... Lt  
ESU Lt..... I just been advised by OEM that the military is enforcing a no fly zone in the vicinity of the WTC advise aviation of that fact please. Be advised that restrictions are in effect  
Aviation..... Tetboro and Kennedy are all shut down West 30<sup>th</sup> Street & downtown heliport is shut down no traffic in the air, except for NYPD aircraft.  
Aviation..... Do you copy central?  
Central..... 10-4  
SOD portable..... To aviation base  
Chief Scallion..... To central  
Central..... Proceed  
Unk..... Have all command post vehicles meet at Vessey & North End Ave, Vessey & North End Ave.  
Central..... All command post to meet at Vessy & North End Ave.  
Unk..... 10-4  
Central..... That's for all command posts to meet at Vessey & North End Aves, for all command posts to meet at Vessey & North End Aves.  
Unk..... Central that is command post vehicles.

Central..... All command post vehicles, 10-4, all command post vehicles to meet at Vessey & North End Aves  
SOD portable..... To central  
Central.....SOD portable go.  
SOD portable.....would you notify Nassau & Suffolk to let them go to inaudible approach at the FAA building and let them secure the liaison post over there, please  
Central..... 10-4  
Unk..... Also the coast guard notify them in Staten Island as to the Statue of Liberty is it secure there  
Central..... 10-4  
North gate... to central  
Central..... North gate go  
North gate..... The statue of Liberty on Ellis Island both evacuated as we speak.  
Central..... 10-4  
SC-14..... To central  
Central..... SC-14  
SC-14.....Just notify the ground units that wall Street does not look suitable as a LZ we have too much debris falling in the area, if we need to pick up anybody in the area I tell you right now downtown I mean West 30<sup>th</sup> Street heliport would be suitable.  
Central..... 10-4  
Unk..... Central make sure American Express and Merle Lynch are evacuated they are in direct proximity of the WTC.  
Central.... 10-4  
Unk..... Inaudible  
Unk..... Central have them secure the HOV lane.  
Central..... 10-4, how am I supposed to secure that HOV lane right now?  
Unk..... The HOV lane is clear.  
SOD portable.... To central  
Central..... SOD portable  
SOD portable..... Notify the TBTA, the VZ the Bklyn Battery Tunnel and all the other access points to secure it  
Central..... 10-4  
Unk..... Inaudible  
ESU Lt. .... To central  
Central..... LT.  
ESU Lt..... Be advised that Adam 1 & Boy 1  
Central..... Lt. your message is cutting off, what I copies was Adam & Boy 1  
Unk..... Is there any man on the bat truck?  
Central..... Truck 5 bat truck on the air. 5 bat truck on the air  
Bat Truck..... Is in route to the city right now should be their any minuet.  
Truck 1.... To central  
Central..... Truck 1  
Truck 1... All ESU to Vessey & Church. let them know central.  
Central.....All ESU for Vessey & Church, all ESU Vessey & Church, all command  
Unk..... Central advise all units the elevators are out in the building, we need Scott packs, entry tools and firs aide equipment.

U-4.... To central  
Unk..... That RMP coming down you have to get into the opposing lane they got you shut down going south bound.  
Central.... ESU-4  
ESU-4....I'm with the PC and the Mayor and their looking for the command post  
TF?.... to central  
Inspector.... To central  
Central.... Inspector  
Inspector..... Right now the command post was at 90 Church St now it moved it over to South & North End.  
Central.... The command post is going to South & North End right now. There is an open carrier here, please check your radios for an open carrier. check your radios for an open carrier.  
SC-14.....to central  
Central.... SC-14 we want to let ESU know that they want to take Chambers St and River Terrace and Battery Park City right on the corner there is a park there that looks like the best suitable LZ for any past or present coming.  
Central..... 10-4, That's Chambers Street & River Terrace and that the best place for an LZ  
SC-14.....Chambers Street & River Terrace there is a nice big grass area right there that will be suitable LZ and might want to get in there and clear our personnel. Because at this time the downtown heliport has too much debris falling and (cut off)  
ESU portable..... To central  
Central.... Portable  
ESU portable..... We were just struck in the battery tunnel is there a new mustering plan. For ESU personnel.  
Central..... ESU personnel is at Vessey & Church  
ESU portable.... 10-4  
Unk..... We are going to South & Pike.  
Unk..... South & Pike 10-4  
Truck 4 ESU..... To Central  
Central.... Truck 4  
Truck 4..... Can you ascertain from any units 84 if the bosses need anything in particular from us.  
Central.... Truck 4, 10-5 that  
Truck 4.... Is going to H4 do they need any equipment.  
Central..... Truck 4 you are unreadable. What they are advising is Chambers & River Terrace, would be the best LZ. Truck-4  
Truck-4....If ESU is 84 just find out from an ESU boss do they need anything, any particular equipment.  
Central..... 10-4 inaudible  
SC-14 ..... To Central  
Central.... SC-14 transmission garbled inaudible  
Central... You are not coming over, there is an open carrier check your radios, there is an open carrier Al right units the 2 frequencies that are being utilized in regards to this

Manhattan IO and City Wide 1, City Wide 1 and Manhattan IO in regards to this job  
Those are the 2 frequencies being utilized right now.  
Unk..... Central what is that mobilized point  
Central..... 10-5  
Unk..... Inaudible  
Central..... You are crossing?? Inaudible, Truck 6 proceed  
Truck 6..... Can you raise ESU 1, please?  
Central..... ESU 1  
Unk.... Central disregard.  
Unk..... Central is Bellevue being utilized.  
Unk... inaudible what is your location  
Central..... Affirmative  
Truck 6.... To central  
Central.... Truck-6  
Truck-6.... Yare Central I'm at Vessey & West Street I have some responding units here  
I'm going to be setting up tacitly, advise ESU 1 that we have helmets and weapons.  
Central..... 10-4, ESU 1 redirect, ESU 1  
ESU 1.... Read.  
Central..... ESU 1 also be advised there advising that you may want to secure Chambers  
by River Terrace, there is a grassy area that might be a LZ for the Aviation Units.  
Aviation-14.... To Central  
Central.... Aviation-14  
Aviation 14..... We are on the ground at Chambers & River Terrace, we have secured the  
LZ if you want to send over a Emergency Unit to see if this is a suitable LZ let us know  
that will be fine.  
Central..... 10-4, ESU 1  
ESU 1.... Go ahead  
Central.... SC-14 landed at Chambers & River Terrace he wants  
Unk.... I will send a unit over there  
Central.... Units you are crossing, do you want an ESU unit to respond over there.  
To Chambers & River Terrace.  
SOD 1.... To central  
Central.....SOD-1  
SOD-1..... Ask ESU-4 to send someone over there  
Central..... 10-4, ESU-4  
UNK..... Let me get ESU-4 for you.  
Central.... 10-4  
Unk..... Inaudible  
ESU-4..... To central  
Central.... ESU-4  
ESU-4.... Someone looking for me.  
Central.... Affirmative, SOD advising that they want a unit to go up to Chambers &  
River Terrace where the Air Sea unit landed  
Unk.... Roger McGovern of the chief of the department office can you 85 me at Church  
& Vessey.  
Unk..... 10-4

ESU 18 .... To Central  
Central....Proceed  
Truck 1..... To central  
Central..... . Truck-1 go ahead  
Truck-1.....What is the mobilization point for the tactical  
Unk..... Vessey & Church  
Unk..... West & Vessey we are going to stay tacitly here  
Truck-1.... To central  
Central..... Truck 1  
Truck 1.... Did we aviation get anybody on that roof of any building  
Central..... Negative nobody is landing on the roof up there  
Unk..... Inaudible units stepping on each other.  
Aviation..... There is no possibility of landing on the roof up there  
Unk..... Is that a negative aviation?  
Aviation..... That's a negative, a negative  
Unk.....Aviation as soon as that clears up we need people on the roof.  
Aviation..... That's affirmative we are standing by Have Emergency services respond to  
Chambers & River Terrace we are here.  
Unk.... Chambers and where  
Aviation..... Chambers & River Terrace on the water just the North West side of Battery  
Park City in the park  
Unk..... 10-4  
Unk..... 3046 on the air.  
Aviation-12 .... To central  
Central..... Aviation -12  
Aviation-12..... Departing Floyd Bennett field with??? Inaudible  
Central..... 10-4  
Unk..... 3046 on the air  
Unk..... Tony where are you.  
Unk..... Tony you coming down  
Unk.....Year I'm bring some stuff with me a couple of guys.  
Unk..... Charlie did you leave quarters yet.  
Unk.....NO what do you need.  
Unk..... Bring vest heavy vest, mines on the shelve and grab Davies.  
Unk.... Will do.  
Unk..... Listen???Inaudible when you come down the West highway is shut down, take  
B'way to 158 St get out and drive down at 158  
Unk..... 10-4 will do I will come as quick as possible  
Unk..... ??? Bring extra Scott bottles with you also  
Unk..... Loaded them on the van already.  
**(C#525)**  
Aviation-6 ..... to Central Aviation -6 to central be advised that there may be another  
aircraft inbound there may be another aircraft inbound LaGuardia is tracking a fast mover  
Moving inbound.  
Central..... Units be advised there may be another aircraft inbound, there may be another  
aircraft inbound, please be advised.

Unk..... Where is the air force?  
Central..... Inaudible  
Car 132.....to central give everybody a heads up  
Central.... Units please be advised that there may be another airplane inbound  
Unk..... Central who advised you of that aviation.  
Central..... Affirmative  
Aviation-6..... Was advising, LaGuardia is advising us that they got a fast mover inbound at this time.  
Unk..... Inaudible  
Task Force.... To central  
Central..... Units again please be advised that LaGuardia is advising that they have a fast mover the may be another plane inbound  
Unk... Ok central be advised this might be military aircraft their enforcing a no fly zone in all of Manhattan  
Central.....10-4, they just may be a military aircraft their enforcing a no fly zone  
Unk..... See if that can be confirmed.  
Unk..... Inaudible  
Central.... 10-5 that.  
Truck 5..... Is 84 at Vessey & Church?  
Central..... 10-4  
Unk.... Inaudible  
Car 1..... To central, stepped on inaudible  
Central.... Car 1  
Car 1..... What do you have on that aircraft?  
Central..... As of right now, stepped on inaudible  
Unk..... No traffic south of Canal Street, inaudible  
Central..... Car1 be advised at this time the information is coming from LaGuardia, they are advising that it may be a military aircraft. We are still checking on that  
Unk.... To central  
Central..... 10-5 that  
Aviation 6..... To central  
Central..... Aviation-6  
Aviation-6 ..... Inaudible message  
Central.... Aviation-6  
Aviation-6 ..... Be advised that is a military aircraft, APC is talking to him now at this time  
Central..... All right units be advised, stepped on inaudible, Car 1  
Car 1..... I got it central  
Central..... 10-4, units be advised it is a military aircraft it is a military aircraft  
Unk.... Inaudible  
Unk..... Is that a US military central?  
Central..... Aviation-6 that is a US military correct  
Unk..... Inaudible  
Car 5... you on the air

**END OF SOD TAPE #01..... CONCLUDES AT 09:33:00..... Counter# 542**
